

Half-time position for students of statistics and related subjects

The [Medical University of Vienna](#) offers a **half-time position** at the [Center for Medical Data Science / Institute of Medical Statistics](#) for a **technical assistant** (according to collective agreement – employment group IIIa), expected to start on **27 August 2024** (limited until 27 August 2025 with the option of permanent employment).

The minimum monthly salary for this position is currently EUR 1,299 gross (14 times a year) and may be increased on the basis of the collective agreement regulations by taking into account previous job-specific experience and other salary components associated with the special features of the job.

Responsibilities: Planning and statistical analysis of medical studies; collaboration in medical data science projects; support in the publication of scientific papers.

Employment requirements: Higher school leaving certificate or equivalent qualification.

Desired qualifications: Knowledge of statistics and statistical software (e.g.: R, Python, SAS, ...). Very good written and oral communication skills in German and English. Interest in interdisciplinary projects. The position is **ideal for students** of disciplines such as statistics, data science, mathematics, technical mathematics, (medical) informatics, psychology, etc.

Application deadline: until **31 July 2024**

Reference number: **540/24**

Enquiries: For **informal enquiries** about the position please contact Robin Ristl (robin.ristl@meduniwien.ac.at / +43-1-40400-74860) or Sonja Zehetmayer (sonja.zehetmayer@meduniwien.ac.at / +43-1-40400-74850)
